Dear Mr. Pollard;

The Congressional mandate as outlined in the Housing and Economic Recovery Act (2008) should also assist Manufactured Homeowners in Parks other than resident-owned Parks. I live in DeAnza Santa Cruz MHP (in CA) and we have been economically devastated by loss of rent control. We desperately need regulatory protection by FHFA from predatory MHPark Owners. Please extend your protections to MH owners in parks which are not "resident-owned". A million thanks, Mardi Brick
