Subject: [Probably SPAM] Guidance on Private Transfer Fee Covenants (No. 2010-N-11)

Gentlemen: I strongly urge you enact legislation to ban the imposing of private real estate fees throughout the United States. Real estate prices have declined most everywhere and such a fee is just another financial hardship home sellers must face. Ban such fees! David J. Davin; 1250 W. Calle Playa de Siesta, Sahuarita, AZ 85629
