Subject: Comments regarding RIN 2590-AA42

The people in this country need to be protected from the wealthy and greedy financial class. Please enact regulations which hold down Wall Street pay .I'm writing because my family and I were affected by the economic collapse of 2008, and we don't want it to happen again.

Wall Street greed and outrageous pay practices were a major cause of the collapse.

Thank you for considering my comment,

Ken Haynam
