Public Comments on Mortgage Assets Affected by PACE Programs:=====

Title: Mortgage Assets Affected by PACE Programs

FR Document Number: 2012-01345

Legacy Document ID:

RIN: 2590-AA53

Publish Date: 1/26/2012 12:00:00 AM

Submitter Info:

Comment: As someone who worked for twenty years in communities all over the country [helping them discover economic development opportunities], I strongly urge the re-creation of PACE as a powerful means to finance clean energy, which will bring back thousands [perhaps millions] of construction jobs, reduce economic leakage, reduce family expenses, and reduce greenhouse gas emissions. Moreover PACE bonds can achieve these results in virtually any community, regardless of its economic potential as measured by all current means.
