Publish Date: 1/26/2012 12:00:00 AM

Submitter Info:

Comment: The PACE program address a major need for many rural property owners who need to make energy upgrades on their properties. It has been discussed time and time again that the barrier for many homeowners who need additional insulation, heating upgrades or other energy efficiency improvements is the upfront cost. A financing mechanism like PACE would improve communities, create new jobs and decrees energy consumptions. PACE is a win win for Colorado!
