Subject: RIN 2590-AA53 - Restore PACE programs now

Aug 17, 2012

Mr. Alfred Pollard
1700 G Street, NW, 4th floor
Washington, DC 20552

Dear Mr. Pollard,

I feel very strongly about our government encouraging it's citizenry to become more energy efficient in their homes. PACE is a WONDERFUL program that can help reduce our wasted energy. PLEASE consider re-instating this program for the good of our country and our planet.

[Please withhold my email and home addresses from the public record.]

Thank you so much for considering restoring the PACE program. It is time for us to change the tide and contribute on a national and global scale to reduce our energy consumption.

Sincerely,

Ms. Joan Bernier
